SAMOA BED DIVISION

SAMOA BED DIVISION

Patch Lab

Da una semplice forma nasce Patch Lab, un'esplosione di letti e sommier abbinabili a pannelli, finiture e colori.

Le infinite combinazioni si adattano ad ogni esigenza di spazio e stile.

La zona notte diventa un laboratorio creativo.

A basic shape gives birth to Patch Lab, an explosion of beds and bed frames that can be matched with a variety of panels, finishes and colours.

Endless combinations to satisfy any need in terms of space and style.

The sleeping area as a creative lab.

Pannelli in movimento

I pannelli modulari si possono posizionare in modo orizzontale o verticale per interpretare al meglio lo spazio.

Modular Panels can be positioned horizontally or vertically for a better interpretation of space.

Rete estraibile Ciack
Ciack Pull-out Bed Base

Sistema Sottosopra

I letti Sottosopra della collezione Patch Lab si possono scegliere con secondo letto estraibile (con rete Ciack, Yuki, Dolì), che può essere affiancato raggiungendo la stessa altezza tra i letti.

Il letto principale può essere completato con tutti i materassi della linea Bside, il secondo, estraibile, con quelli classificati ad altezza ridotta (h cm 16).

Scegliendo entrambi i materassi con quest'ultima tipologia, i letti rimangono allo stesso livello.

Sottosopra beds from the Patch Lab collection can be equipped with an additional pull-out bed (with Ciack, Yuki or Dolì base) that can be placed side by side and raised to the same height as the main bed.

Any mattress from the Bside line can be matched with the main bed, while only low profile mattresses (16 cm high) fit the additional bed.

Using both low profile mattresses makes beds the same height.
