# EASY SYSTEM

DESIGN BY VALERIA CARLESSO

**IT** — Easy System è un progetto che si caratterizza per l'estetica essenziale e la grande versatilità. Cassettiere e comodini diventano parte di un sistema più ampio che può comprendere anche boiserie, con o senza mensole, panche a terra, telai appendiabiti, specchi, vani a giorno, composizioni freestanding, scrittoi e contenitori Box 12, creando infinite soluzioni d'arredo. Ognuna delle componenti del sistema può essere personalizzata con l'ampia scelta di finiture disponibili, incluso il noce canaletto per i cassetti con frontali Rays.

**EN** — Easy System is a design that stands out for its pared-back look and impressive versatility. Drawer units and bedside tables become part of a larger system that can also include wall panelling, with or without shelves, floor benches, clothes racks, mirrors, open shelving, freestanding arrangements, desks and Box 12 storage units, creating endless furniture solutions. Each of the system components can be customized with an extensive range of finishes to choose from, including noce canaletto for drawers with Rays fronts.

# CUBE SYSTEM

DESIGN BY E-GGS

**IT** — Cube System è un sistema di contenitori di diverse dimensioni che si affiancano e si sovrappongono per creare cassettiere, comodini, comò e settimanali, ma anche composizioni più complesse con boiserie, panche, vassoi, portadocumenti, scrittoi, appendiabiti e specchi. I singoli moduli, che hanno la particolarità dei frontali ripiegati in folding, si possono personalizzare a piacere scegliendo tra le molte finiture disponibili, inclusi i tessuti per i pannelli imbottiti e foderati.

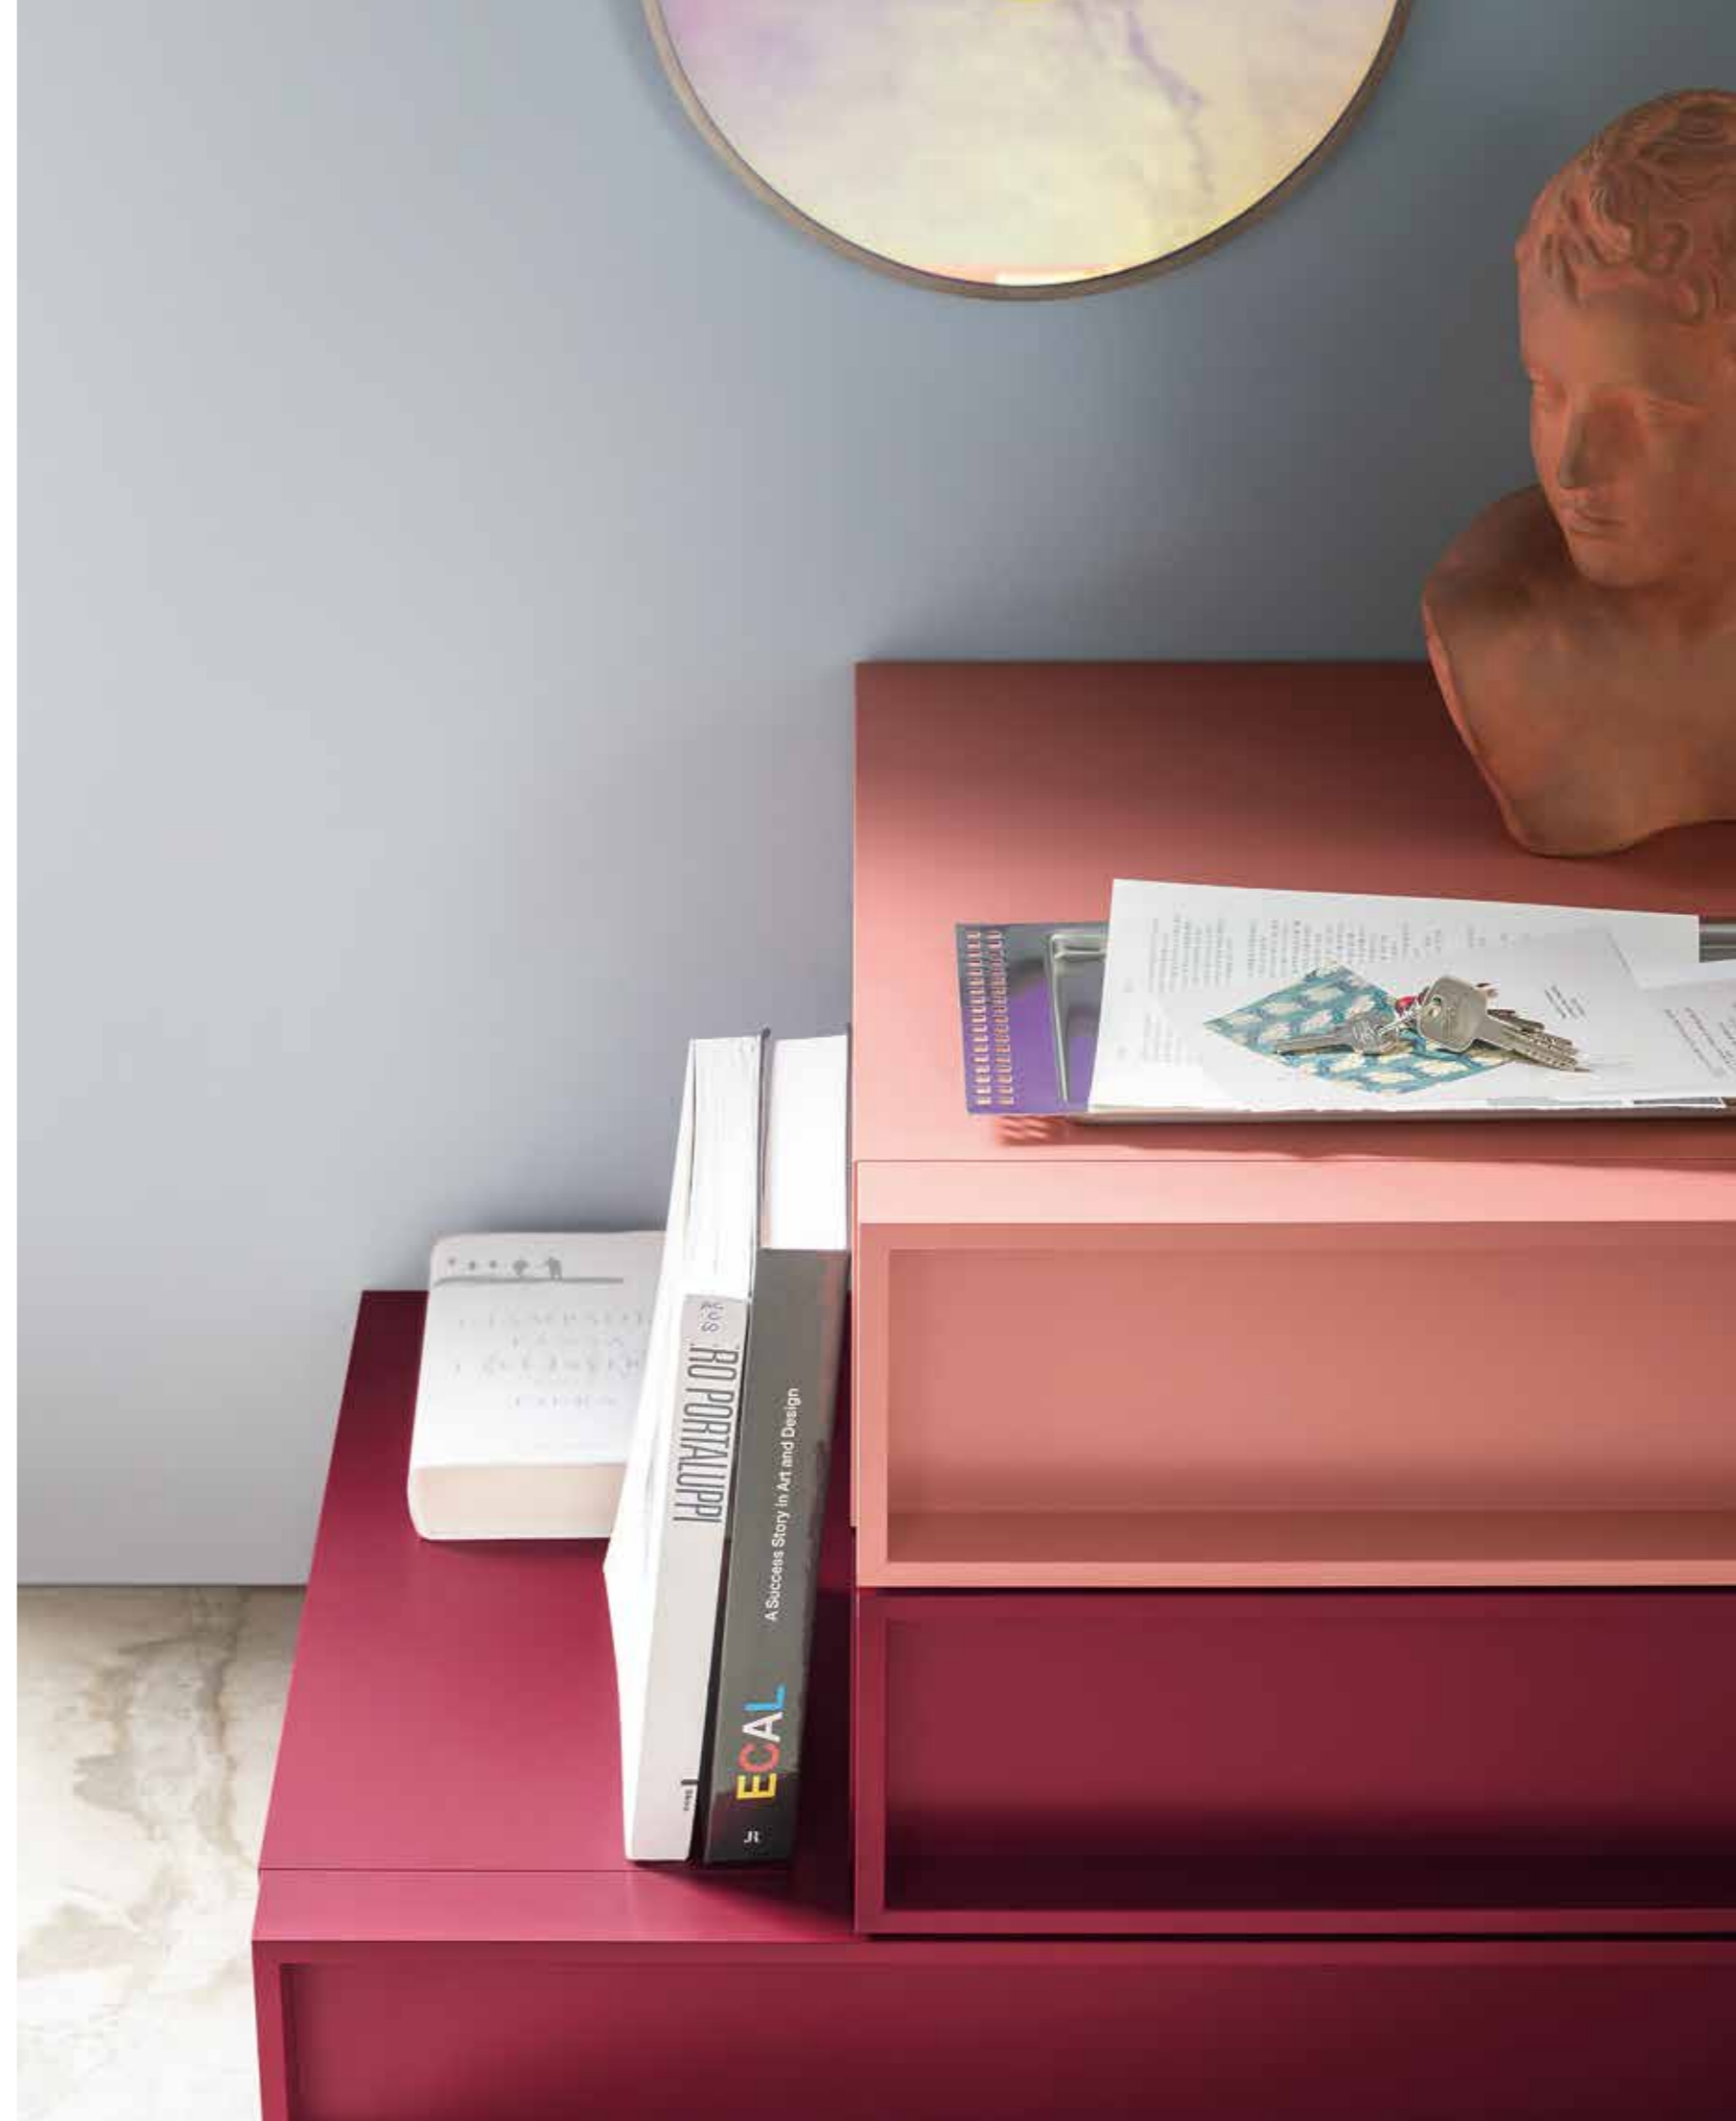

**EN** — Cube System is a system of different sized storage units that are designed to be placed next to each other or stacked to create drawer units, bedside tables, chests of drawers and tallboys, as well as more complex arrangements involving wall panelling, benches, trays, document holders, desks, clothes racks and mirrors. The individual modules, which stand out for their mitre-folded fronts, can be tailored to your individual tastes with a whole host of finishes to choose from, including fabrics for the padded and lined panels.

A destra, moduli cassetto in laccato opaco sabbia e fango. A sinistra, modulo cassetto in laccato opaco sabbia su panca in laccato opaco quarzo. Modulo specchio in laccato opaco quarzo con tasca portadocumenti in laccato opaco sabbia. Moduli che compongono la cassettera in laccato opaco sabbia e in finitura rovere grey.

**EN** — **Cube System** arrangement with wall panelling in fango matt lacquered finish, padded modules in Patch 22 fabric and **Sommier** padded bed in the same finish. On the right, drawer modules in sabbia and fango matt lacquered finishes. On the left, drawer module in sabbia matt lacquered finish on quarzo matt lacquered bench. Mirror module in quarzo matt lacquered finish with sabbia matt lacquered document pouch. Modules making up the drawer unit in sabbia matt lacquered and rovere grey finishes.

**IT** – Composizione per centrostanza **Cube System**, sul fronte: boiserie in laccato opaco visone con moduli imbottiti in tessuto Klaus 10 e letto **Sommier** imbottito nella stessa finitura. Moduli cassetto a destra in finitura rovere naturale e in laccato opaco corda, a sinistra in laccato opaco corda con frontali in finitura rovere naturale.

**EN** – **Cube System** arrangement to sit in the middle of a room, on front: wall panelling in visone matt lacquered finish with padded modules in Klaus 10 fabric and **Sommier** padded bed in the same finish. Drawer modules on right in rovere naturale and corda matt lacquered finishes, on left in corda matt lacquered finish with rovere naturale fronts.

**IT** — Composizione per centrostanza **Cube System**, sul retro: boiserie in laccato opaco visone con moduli foderati in tessuto Klaus 06 e attrezzati con scrittoio con piano in finitura rovere naturale e basamento in laccato opaco visone, appendini e mensola in laccato opaco caffè. Moduli che compongono la cassetiera in laccato opaco corda e in finitura rovere naturale. Pouf **Tamburello** in tessuto Klaus 10.

**EN** — **Cube System** arrangement to sit in the middle of a room, on rear: wall panelling in visone matt lacquered finish with modules lined with Klaus 06 fabric and fitted with desk with top in rovere naturale finish and visone matt lacquered base, coat hooks and shelf in caffè matt lacquered finish. Modules making up the drawer unit in corda matt lacquered and rovere naturale finish. **Tamburello** ottoman in Klaus 10 fabric.

# GIRO-GIRO SYSTEM

DESIGN BY E-GGS

**IT** — Giro-Giro System è un contenitore modulare con cassetti disposti su ogni lato. Offre la massima libertà di combinazione perché la struttura e i frontali si possono personalizzare con diverse finiture e tonalità, creando un piacevole effetto grafico di linee discontinue che si rincorrono e si intersecano a quelle verticali, accentuate dalla piccola maniglia in metallo. Pensato come contenitore freestanding per il centro stanza – in camera da letto, dentro la cabina armadio o nella zona giorno – Giro-Giro System è altrettanto funzionale in appoggio alla parete, con gambe o a terra.

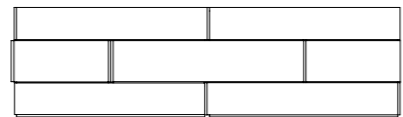

**EN** — Giro-Giro System is a modular storage unit with drawers arranged on all sides. It offers virtually unlimited options as the structure and fronts come in different finishes and colours that can be mixed and matched, creating a pleasing graphic effect with a run of broken lines that continuously intersect the vertical lines accentuated by the small metal handle. Designed as a freestanding unit to sit in the middle of the room – in the bedroom, inside the walk-in wardrobe or in the living area – Giro-Giro System is just as functional set against a wall, standing on legs or directly on the floor.

Giro-Giro System

Set 10

**IT** — Moduli **Giro-Giro System** che compongono la cassettiera a isola in laccato opaco quarzo e marino con maniglie nelle stesse finiture, top in vetro in finitura titanio. Letto **Tape** in tessuto Memory 05 e cinghie in nylon Marino.

**EN** — **Giro-Giro System** modules making up the island drawer unit in quartz and marino matt lacquered finishes with handles in the same finishes, top in titanium glass finish. **Tape** bed in Memory 05 fabric and nylon belts in Marino.

### Set 11

**IT** — Moduli **Giro-Giro System** che compongono la cassettera in laccato opaco foglia e foresta con maniglie e gambe in laccato opaco nero grafite.

**EN** — **Giro-Giro System** modules making up the drawer unit in foglia and foresta matt lacquered finishes, nero grafite matt lacquered handles and legs.

NIGHT SYSTEM

GIRO-GIRO SYSTEM

**Close-up**

**IT** — Elemento funzionale ma anche estetico, la maniglia è disponibile in brunito, in laccato metal rame e in tutti i colori laccato opaco.

**EN** — As visually striking as it is functional, the handle comes in the bronze finish, copper metal lacquered finish and any of the matt lacquered colours.

Booklet 06

# GIRO-GIRO SYSTEM

MODULARITÀ | MODULE RANGE

**IT** – Con cinque larghezze e due altezze a disposizione, i moduli di Giro-Giro System si possono combinare tra di loro per creare comodini e cassettiere lineari o asimmetriche, sempre caratterizzate dalla particolare apertura in diverse direzioni.

**EN** – With five widths and two heights to choose from, the Giro-Giro System modules can be combined to create straight-sided or asymmetrical bedside tables and drawer units, all sharing the distinctive trait of having drawers opening in different directions.

**IT** — Esempi di composizioni **Giro-Giro System**, da sinistra in senso orario:  
 modulo cassetto in laccato opaco corda con maniglia e gambe in finitura brunito.  
 Modulo cassetto in finitura rovere brown con top in laccato opaco corda, maniglia e gambe in finitura brunito. Moduli cassetto in finitura rovere brown e in laccato opaco granato con maniglie nella stessa finitura.  
 Moduli cassetto in laccato opaco tangeri con maniglie in laccato opaco granato e gambe in finitura brunito. Moduli cassetto in laccato opaco granato con maniglie nella stessa finitura e top in vetro finitura titanio.  
 Moduli cassetto in laccato opaco pesca con maniglie e top in laccato opaco granato e gambe in finitura brunito.

**EN** — Examples of **Giro-Giro System** arrangements, clockwise from left:  
 drawer module in corda matt lacquered finish with handle and legs in bronze finish.  
 Drawer module in rovere brown finish with corda matt lacquered top, handle and legs in bronze finish. Drawer modules in rovere brown and granato matt lacquered finishes with handles in the same finish. Drawer modules in tangeri matt lacquered finish with granato matt lacquered handles and legs in bronze finish. Drawer modules in granato matt lacquered finish with handles in the same finish and glass tops in titanium finish. Drawer modules in pesca matt lacquered finish with handles and top in granato matt lacquered finish and legs in bronze finish.

**IT** — Esempi di composizioni **Giro-Giro System**, da sinistra: Moduli cassetto in laccato opaco quarzo e sabbia con maniglie in laccato opaco quarzo. Moduli cassetto in finitura rovere grey e laccato opaco visone con maniglie e top nelle stesse finiture e basamento in finitura brunito. Moduli cassetto in laccato opaco caffè con maniglie nelle stesse finiture e top in laccato opaco corda. Moduli cassetto in laccato opaco fango e corda con maniglie nelle stesse finiture e top in vetro finitura titanio.

**EN** — Examples of **Giro-Giro System** arrangements, from left: Drawer modules in quartz and sand matt lacquered finishes with quartz matt lacquered handles. Drawer modules in rovere grey and visone matt lacquered finishes with handles and tops in the same finishes and base in bronze finish. Drawer modules in caffè matt lacquered finish with handles in the same finish and corda matt lacquered tops. Drawer modules in fango and corda matt lacquered finishes with handles in the same finishes and glass top in titanium finish.

**IT** – Composizione Giro-Giro System  
centrostanza con moduli in laccato opaco  
cascata e artico e in finitura rovere naturale,  
maniglie e top in laccato opaco quarzo.

**EN** – Giro-Giro System arrangement  
to sit in the middle of a room with modules  
in cascata and artico matt lacquered finishes  
and rovere naturale finish, with quarzo  
matt lacquered handles and tops.

#### VERNICI ALL'ACQUA WATER-BASED PAINTS

**IT** — Consapevole dell'importanza della salvaguardia del patrimonio naturale, Novamobili è impegnata attivamente per la sua conservazione. Dal 2005 ha installato un esclusivo sistema di laccatura opaca all'acqua che riduce di oltre il 95% l'emissione di solventi inquinanti in atmosfera. Una scelta che corrisponde alla volontà di promuovere la sostenibilità ambientale e l'impegno nel creare un prodotto di qualità, sicuro per la salute dell'uomo, nel rispetto della norma europea EN 71.3.

**EN** — Aware as we are of the importance of safeguarding our natural heritage, Novamobili is increasingly committed to its conservation. Since 2005, we have been using an exclusive water-based matt lacquering system, reducing the emission of polluting solvents by over 95%. A choice that reflects our desire to promote environmental sustainability and our commitment to creating a quality product that is safe for people, in compliance with European standard EN 71.3.

#### ECO-COMPATIBILITÀ E QUALITÀ ENVIRONMENTALLY FRIENDLY AND TOP QUALITY

**IT** — Le vernici all'acqua, applicate con impianti moderni ed efficienti, offrono una resa superiore a quelle tradizionali: le superfici trattate si presentano distese, morbide al tatto e mantengono un'ottima brillantezza dei colori, un'eccezionale durezza e resistenza chimico-fisica della finitura nel tempo.

**EN** — Water-based paints, applied with efficient modern equipment, give much better results than traditional paints: the treated surfaces are smooth, soft to the touch and maintain excellent colour brilliance, producing a finish with exceptional lasting hardness and chemical and physical resistance.

#### PANNELLO ECOLOGICO ECOLOGICAL PANEL

**IT** — Per Novamobili qualità significa rispetto per l'ambiente e per la salute del consumatore. Per questo vengono utilizzati pannelli nobilitati atossici nel pieno rispetto della normativa europea classe E1. Il Pannello Ecologico è realizzato esclusivamente con reimpiego di legno, mediante un processo produttivo di qualità certificata che rispetta l'ambiente perché non comporta l'abbattimento di alberi.

**EN** — For Novamobili, quality means respect for the consumer's health and the environment. For this reason, we use non-toxic foil-wrapped panels to European class E1. Our Ecological Panel is made entirely of recycled wood by a quality-certified production process that is environmentally friendly as it does not involve felling trees.

**IT** — La qualità Novamobili è certificata secondo le direttive dell'Unione Eurasiatica.

**EN** — Novamobili quality is certified in compliance with the Eurasian Union technical regulations.
